Made in Italy

Since 1965

Quando la cultura e la tradizione incontrano il lusso. Gusto calore, tradizione e rievocazione del design, sono le linee guida della collezione Lof's. Dalla lavorazione raffinata di pelli eccezionali, selezionate nelle più esclusive concerie italiane e dalla rifinitura inimitabile, nasce una combinazione di ricerca e di stile, che conferisce al prodotto un'eleganza assoluta. La morbidezza e la resistenza delle pelli tinte su tutto lo spessore con pregiati colori all'anilina e l'impiego di materiali di altissima qualità nelle strutture e nelle imbottiture, fanno dei prodotti Lof's un "must" dell'arredamento senza tempo.

When culture and tradition meet luxury

Taste, warmth, tradition and commemoration of design, are the guidelines of the Collection Lof's. Fine workmanship of exceptional leathers, selected in the most exclusive Italian tanneries and the inimitable finish, comes a combination of research and style, which gives absolute elegance products. The softness and strength of the entire thickness of skin colors with high quality aniline colors and the use of high quality materials in structures and padding, make the products Lof's a "must" of timeless furnishings.
