

Kika, Get *Dressed Up.*

The glamour and allure of the Golden Age of Hollywood drove the inspiration for Terzani's newest pendant, Kika. Incorporating modern technology with new materials, designer Franziska Hinze created a contemporary fixture reflecting this exciting period in cinema. Balancing proportions was also part of the inspiration behind Kika's shape. The light is made of hundreds of photo-etched metal pendants, attached meticulously by hand to metal rings. The final result is similar to that of a fine jewel, floating in the air, and shining in every direction. To enhance the contrast of light, Terzani offers Kika in different color and size variations. Kika is a unique piece that adds vibrancy with a shimmering, suspended light. Design Franziska Hinze.
